June 10 @ 2 pm

Bring your imagination and join us at the Library for a fun playtime! The program will begin with a story followed by themed free play. This engaging playtime fosters social skills, enhances language development and ignites creativity as kids embark on their own adventures in creative, role-play activities in a fun and supportive environment! Ages 3-8.

Coffee with a Colonial

June 29 @ 6 pm

Coffee With a Colonial gives the opportunity to have a moment to sit down and enjoy sipping through history, enjoying a favorite beverage with discussion and interacting with 18th century material culture. Where the world is so busy today, Sam Leamer invites you to take a pause and enjoy the simple pleasure of conversation over and about coffee, either 18th or the 21st century varieties. An interactive display of 18th century civilian and soldiering life will be provided. Ages 12+.

Dinosaur Discovery

July 23 @ 11 am

Come make a dinosaur discovery and create a story that fits its life. The Naturalist will tell the beginning of a dinosaur story. When the Naturalist stops in the middle of the story, the participants will be asked to hunt for and find the parts of dinosaurs hidden in the area. As they find the parts, the group will be challenged to piece the dinosaur back together. Each group acts out an end to the story using the dinosaur they have found, making the story appropriate to the life of the dinosaur they have pieced together. Afterwards, we will use a silly facts activity to challenge everyone's dinosaur expertise. Ages 6-9.
